Latshaw Productions presents
Unforgettable
The Crooners & Their Music

The 20th century gave rise to the greatest entertainers of all time. Dean Martin, Frank Sinatra, Bing Crosby, Sammy Davis Jr., Rosemary Clooney, Liza Minnelli, Judy Garland, Tony Bennett and Nat King Cole are just a few great entertainers whose artistry transcended their hit recordings. Their talents led them from the great concert halls of America to national television specials and major motion picture performances. In our newest show, *The Crooners & Their Music*, our 20-piece Latshaw Productions Pops Orchestra, talented singers and dancers will combine for an unforgettable performance including the music, song-styling, costumes and choreography that defined a generation.
