7:00 PM – Shabbat Service

We will gather in the Leebov Sanctuary for a very active service. Yes, it will include birthday blessings for all (young and old) celebrating a birthday that month. Yes, it will include a supplement of readings that might be more accessible than the poetry of our *Mishkan T'filah*. Yes, it will include opportunities for children and adults to lead parts of the service. Long before each service, we will send out a personal invitation to those who can help us lead in either Hebrew or English. Yes, there will always be a lesson drawn from the Ten Commandments. This community service is designed to engage people of all ages. It is not just a children's service. It is not just a family service. It is a community service in which you can be active to the extent you want.
